SCIACCACCA
GRILL

Welcome to Sciacca Grill

At Sciacca Grill we do not believe in a fixed menu.

*We offer a wide variety of fresh prime cuts of meat from our display,
aging cabinet & our treasured American smoker.*

*Upon entry our team will kindly guide you to the display of
our fresh products.*

*Here you will be given an explanation of our daily specials and different
cuts of meat which are all marked with prices.*

*All mains include a side dish of your choice whilst daily specials
will be listed on the blackboard.*

*In the meantime, you can enjoy one of our signature cocktails as each
guest requires the utmost attention and explanation for their order.*

Sciacca Team

Named after the Sicilian Village that inspired its creation, Sciacca Grill are unique steak & grill restaurants that go beyond its culinary calling. Within Sciacca's confines, you'll find the kind of effortless taste that'll envelop your stay, exalt your senses, and ultimately make you party to the excellence we recite.

A concept created by Maltese entrepreneur Noel Zammit.

His love of food started at a tender young age, travelling globally to uncover different flavor and technique

The dream came true with Sciacca as is his fruition of life's simple quote

"Love of food is simplicity and quality."

Welcome to the experience.
